Pre-K	Race to Victory Lane								Pre-K							60
	Fast As Lightning			Pre-K		Pre-K			Pre-K							60
LOWER ELEMENTARY	On the Move		K, 1	K, 1	K, 1											30
	Push & Pull	K, 1						K, 1								30
	Going the Distance			2	2											30
	Roar of the Engines			2	2			2								30
	Spark! Cars in Motion			2	2			2								30
	Heating Up	3, 4			3, 4			3, 4								30
UPPER ELEMENTARY	Legends, Heroes, & Innovators			3, 4, 5				3, 4, 5								30
	Object in Motion	3, 4, 5						3, 4, 5	3, 4, 5	3, 4, 5						30
	Race Strong		4, 5													30
	Seconds Count				3, 4, 5			3, 4, 5								30
	Vroom! States of Matter in Action	3			3											30
	Weather & Racing			4, 5	4, 5	4, 5	4, 5									30
	Starts with a Problem: Engineering in Action								3, 4, 5							60*
	10 Seconds Flat				7		7	7								60
MIDDLE SCHOOL	Air: A Fierce Competitor	6, 7, 8			6, 7, 8		6, 7, 8									60
	Body, Mind and Strength		6,7,8													60
	Engineering on the Move								6,7,8							60
	Engines! Powerhouse of Work	6, 8						6, 8								60
	Ka-Pow!	6, 7, 8														60
	Race to the Start Line								6,7,8	6,7,8						60
	Speed, Banking, and a Race Car			6,7,8	6,7,8		6,7,8									60
	Tight & Loose	7, 8			7, 8											60
	From Chemistry to Power										9, 10, 11, 12	9, 10, 11, 12				90
HIGH SCHOOL	Full Throttle to Engineer							9, 10, 11, 12								90
	Innovation and Innovators											9, 10, 11, 12				90
	Keeping the Wheels on the Race Car								9, 10, 11, 12							90
	Speed!												9, 10, 11, 12			90
	Under the Hood												9, 10, 11, 12			90
	Customized Program (upon request)															

\*\*Careers is imbedded in all high school seminars

\*Higher cost for 60 minute workshop
