### Writing What Is Not There

Name three characters in the story, an action that they experienced, and how it made them feel. The characters may be main characters (ex. Ferdinand) or supporting characters (matador).

Character	Action	Emotion
<i>Sample Ferdinand</i>	<i>Smelled flowers</i>	<i>Happy</i>

2.		
3.		

Imagine an action that one character could have experienced before or after the scenes in the story. This would be an action that was not discussed in the story. You are creating new story based on what you know about the setting, characters, and plot. On the next page, draw the action, thinking about setting and emotion.
