#### GET READY TO ROCK AS THE POP CULTURE PHENOMENON COMES TO LIFE!

The alarm clock rings and Tom awakens, nervous to start his first day of teaching. He turns on the TV to relax and is surprised when the voices he hears in his head come to life as characters in the television set! Tom is hesitant at first to accept them, but eventually they help him see how great a teacher he has been all along.

**Themes:** Friendship, identity, inclusion  
**Recommended for K-5th Grade**

### DANNY, KING OF THE BASEMENT

By David S. Craig

#### A POWERFUL STORY THAT PROVES HOME IS MORE THAN SIMPLY WHERE YOU LIVE.

10-year-old Danny "Delco" Carter is the "king of moving." When Danny and his mom move into a basement apartment on an upscale street, the kids he meets have more material things, but they seem to have bigger challenges than he realizes. Danny's imaginative play creates a sense of community that allows his friends to cope with their problems and, ultimately, to help Danny - because Danny's challenge isn't losing a home - it's gaining one.

**Themes:** Poverty, friendship, the power of positivity  
**Recommended for 4th - 7th Grade**
