Dear Wrenn,

When we needed help, you didn't just say YES, you worked to push us over the top! September 3rd's Visitor Center Opening Celebration was one of the finest evenings for the City of Pawtucket and your commitment helped a dream become a reality.

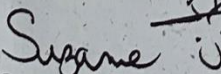

Every demanding detail of the evening took so long to organize, finance, and implement. Without your support and hard work the City would not have been able to stage such a great event.

On behalf of our Chair Joan Doyle, the Visitor Center Celebration Committee and the 500 people in attendance, we extend a heartfelt thanks and sincere congratulations on a job well done.

We look forward to working with you anytime the "impossible" needs to be accomplished in a short time.

"Imagine the Possibilities"

Sincerely,

Suzanne Buchanan
