Mecklenburg County Schools  
Artist in Residency Applicant: Marina Alexandra

Greetings

It is with great pleasure and enthusiasm that I recommend Marina Alexandra as an Artist in Residence for the Mecklenburg Schools. I have engaged Marina as a guest artist and teacher at my School (University of North Carolina School of the Arts) and worked with her numerous times in presenting workshops and other artist performances. She has a strong sense of presenting to audiences of all kinds and also demonstrates a deep passion for the arts and for learning. Her performance skills are excellent and she is a highly accomplished artist. I can see her really engaging young students with her energetic personality and clear communication.

Sincerely,  
Joseph Pecoraro
